

# Group Dining

At Pizzeria Libretto, we follow the Italian tradition of sharing and living life through food. What this means is that food, like all other life experiences, is meant to be shared!

## WHY FAMILY-STYLE MENUS?

Service is important to us. We want to make sure you receive your meal as efficiently as possible – and that's why, for groups of 12 or more, we require you to select a family-style set menu. Please note that we welcome any ideas you have for creating the perfect menu for you and your guests. It's your show – let us cater to you! As our menu changes slightly from season to season, please refer to our online menu when making your selections:
